# 2023 is Our Year of the International Retired Racer

We are thrilled to be starting a fresh chapter here at NSGA. Our new International partnerships means our retired racers are not only coming in from the USA, we are committing to dogs from Ireland and from as far as Australia. We are developing new ways to help greyhounds and Lurchers find their forever homes and we are counting on the support of our amazing NSGA community. Together we can make a massive difference to these dogs' lives. Fundraising efforts will take on a new focus, for as you can see in the budget breakdown, there are numerous costs that go into bringing in the dogs, their medical care and much more.
