Fundraising Partnerships

Another way friends of NSGA may contribute is through our partnerships with **SKIP THE DEPOT** and **TRUEARTH**.

Skip the Depot accepts items for recycling with the refunds going to NSGA when you select us as your charity of choice.

TRUEARTH

TruEarth provides a commission on the sales we promote through our link.

And your participation helps every time! Check out the positive impact on the next page.

What's Your Story?

We will never forget the day we drove to Lumsden to pick up our Dottie. She was the last one off of John Ward's "greyhound bus", such a calm, old soul. We only had her in our lives for two short years but she

Dottie

showed us dog love like no other. She will forever be our gold standard for all dogs and we will remember her fondly always.

Tell us about YOUR pups! What was their Gotcha Day like? What is the silliest thing they've ever done? If you have more than one retired racer, what made you adopt more?

Post your stories in 100 words or less, with a photo, for the Private Facebook NSGA Adopters Group page!

FUNDRAISING UPDATE REPORT

TruEarth - since beginning of 2024

SkipTheDepot - Since June of 2023

CALL FOR CALENDAR PHOTOS

The annual NSGA Calendars make a great fundraiser, but mostly they are a functional, beautiful keepsake of the hounds we love and cherish within our group. And honestly, who doesn't love seeing their gorgeous supermodels in print?

The call for photo submissions will be emailed to you soon, so please start going through your phone's photo file or digital camera roll to determine your best selections for the 2025 calendar.

All NSGA adopted dog photos are welcome! Keep in mind that because they are going to print, they must be the **highest resolution** possible .

The calendars are especially fun with lots of variety. For instance, do you have great photos that are topical to a particular month (like Cinco de Mayo Dexter here)? Or maybe a special birthday photo or silly expression?

We can't wait to see what you send in!

- Updating NSGA-ers with the latest news and announcements

If any of your contact info has changed -- we're talking phone numbers, physical addresses, email addresses -- please email us with your updated information as soon as possible.

Forever Care Program

In our last newsletter, we featured Rowdy as an example of one of the dogs in NSGA's "Forever Care" program.

With heavy hearts we update you that on February 1st, Rowdy made his way to Rainbow Bridge. It wasn't his huge heart nor his thyroid, but advanced osteosarcoma in his shoulder that took him in the end.

He was only 5.5 years old and like all of our angel hounds, he was the goodest pup.

Our hearts go out to each and everyone affected by the loss of their dogs these last few months.

Gone But Never Forgotten,
